

South Brunswick Arts Commission

The South Brunswick Arts Commission has created an Artist Registry, the first of its kind for our Township. The purpose of the registry is to accommodate and encourage inquiries about South Brunswick artists, 18 years or older, from government agencies, arts organizations and the general public. The registry serves as a community resource.

There is no fee to enter your information in the registry. Note: materials are not returnable. Submission of your Artist Registry Form makes you a participant/member of the Artist Registry. The South Brunswick Arts Commission is a separate planning body of eight members appointed by the township.
