### In Memory of Arthur Roedel Jr.

Award-winning humanitarian, Arthur Roedel Jr. was the owner of the Monmouth Mobile Home Park and a pillar of the South Brunswick community for decades.

Sadly, Arthur passed away on July 3, 2017. The Library was tops among the many local groups he led or supported. His dedication and concern for the Library will be sorely missed. Arthur served as the President of the Library Foundation for many years, as well as a member of the Library Board of Trustees. Library staff will also always be grateful for his generosity and kindness. He was an active and energetic volunteer, always willing to do the hard work needed for success. We are forever grateful for his support.

# New Trustees - Big Supporters of SB Community

**Nancy Delgado** – Born and raised in the Village of Kingston, the daughter of active community volunteers, Nancy Delgado became a volunteer dynamo herself while raising her family in South Brunswick Township. She is a former president of the Indian Fields Parent-Teacher Organization (PTO) and the

South Brunswick High School PTO. For more than two decades, she has given her time to the SBHS music program, the New Jersey Repertory Theatre, and more recently the South Brunswick Arts Commission. Though not an aspiring artist, actress, or musician, she may be the Township's biggest supporter of the arts.

Being a Library Trustee, she says, is just another way for this avid reader to support another fine art in the community. "I have a passion for the arts."

Delgado, a paralegal for more than 35 years, is the wife of Harry Delgado, a retired Township Police Captain and current president of the Board of Education.

**Lisa Freedman** – It's likely that you have already met new SBPL Trustee Lisa Freedman either at the Library or voting at the Community Center. A South Brunswick resident for 20 years, she can be found helping voters on election days; and is frequently at

the Library borrowing books, in the mindful coloring class, and doing the yoga/meditation program.

"I've always loved the library," she says explaining that it was a big reason she moved here to raise her family. "A big fan of popular fiction authors, Freedman continued, "it's a safe place to be and have fun!"

The retired speech language specialist is looking forward to giving back to her Library as a Trustee. Freedman's husband Larry serves on the Township Parks & Recreation Committee.

The Sixth Annual Collaborative Community Mural is complete and is hanging high on the wall in the Food For Thought Café. Many thanks to the seven artists who submitted pieces of artwork to fit the summer reading theme "Build a Better World" – Ed Belding, Simanti Chatterjee, Pat Dahl, Art Lee, Barb Lee, Viji Savithri, and Nahul Shanmugam. The collage was created by making color copies of the eleven originals that were then mounted to foam core and sectioned into tiles. The tiles were then rearranged by the five artists who attended the assembly party on Saturday, August 21 into an abstract design that is reminiscent of a city skyline. It now hangs on the café with two of the other six Collaborative murals.
