Mobile Mini Makers
All Day
Children's Area

Children and families can drop in throughout the day to pick up a take-and-make robot craft! Set up and make your creation at the library or make it in the comfort of your home!

Tween Engineering Challenge
4 pm
Grades 4 - 7
Gambatese Room

Tweens will test their engineering skills and creativity by making the tallest, fastest, and best marble run out of household materials.

**Printing Demonstration/
Contest Kick Off**
4:00 - 5:30 pm
Teens & Adults

Lobby
Stop by to learn about the library's 3D printer and design contest to create a 3D symbol of the South Brunswick Library. The winner of the contest will win a prize. All entries will be printed free of charge for their designer!

Yarn Flowers
11:30 am - 12:30 pm
All Ages
World Language Area

Create colorful daisies using yarn and a flower loom.

Gourmet Popcorn Mix
11:30 am - 12:30 pm
All Ages
Program Room 1A/B

Create your own gourmet popcorn mix in this hands-on workshop. All ages can mix up a cupful to take and eat. Adults and teens 7th grade and up may also help us cook.

Mini Maker Day
11:30 am - 1 pm
Children & Families
Meeting Room A/B

Children and their families take over the meeting room to meet, make and play on Makers Day! Activities will include hands-on robotics demos, paper circuit cards, a compass craft for kids and 8-bit art creations.

**Whatever Floats Your
Boat**
11:30 am - 1 pm
Grades 6-12
Cafe

Join the Society of Young Innovators in a fun STEM competition to see if you can use the supplies provided to design a prize-worthy vessel.

SBHS Science Olympiad
11:30 am - 12:30 pm
Ages 3 & up

Smart Lab
Students will showcase their robots, electrical vehicles & bridge building. Try them out!
