JUST SAY YES

That is all you have to do to

Be a Champion for Your Library!

The South Brunswick Public Library has launched a **Library Champions** campaign to increase awareness and support for public library service throughout South Brunswick Township. Many of your neighbors and local businesses can already be counted as **Library Champions**.

As a **Library Champion**, you will be known as our partner. Together we will support programs advocating **literacy, lifelong education, cultural awareness, and quality family time**. Becoming a Champion costs you nothing.

"If you think of the South Brunswick Public Library as an investment, partnership of any kind is a no-brainer! As someone very active in both the worlds of finance and community service, I can assure you that your return from a Library partnership will always be great, guaranteed."

*Rina Pantano,
President and CEO, NJ Gateway
Federal Credit Union.
Monmouth Junction, NJ*

We are enriched by the added strength of each person and organization that chooses to stand beside us.

We believe that by this association we can enjoy mutual benefits. These include increased visibility in a positive public light and the chance to collaborate on future endeavors for our shared community.

*Ann Li, Principal, Chinese
Heritage School of NJ
Monmouth Junction, NJ*

"Our School has collaborated with the SB Library many times to present programs for the public about Chinese culture. Our experience working with the Library has always been gratifying and pleasant. We look forward to future projects together for the community."

Everyone loves Libraries! And, why not? We have something for everyone!

Your support will enable the Library to maintain and grow its services. Our programs reach out to all ages and interests. Strong libraries help to generate increased property values, a more literate workforce and an improved quality of life for your customers, members, employees, and neighbors. Be a champion for your library and your community. Be a winner!

"As owners of a business for children, we are proud to support our Library. It seems that not a day goes by that the Library is not offering free programs for children to learn and have fun".

*Sushma and Ravi Patil,
Goddard School, Dayton, NJ*

Partnering with the South Brunswick Public Library as a **Library Champion** will promote your business or organization as one that values literacy, education, family, community, and democracy.

This is your opportunity to connect with your community.

Join us!

Demonstrate your support by placing one of these decals in front window of your business or organization.
