

## **Wireless Network Access Policy**

Amended by the Library Board of Trustees  
April 19, 2012

# *South Brunswick Public Library*

### **Wireless Network Access Policy**

The South Brunswick Public Library offers wireless Internet connection availability throughout the Library to patrons with their own compatible equipment or devices.

The Library cannot guarantee the speed, security or stability of this service. The Library is not responsible for any damage or loss incurred while using this service.

Please note the wireless Internet connection at the Library is unsecured. The transmission of personal data and information through the Library's wireless network is not recommended.

Internet access within the Library must adhere to all applicable Library policies and local, state and federal laws.

The Library reserves the right to limit or prevent access to the wireless network at any time.
