CONNECT**

**Mobile Mini Makers
Fly Around the Globe!
All Day
Children's Room**

Children and families can drop in throughout the day to pick up a take-and-make Glider! Using straws and paper, includes instructions for experimentation and a science fact sheet for further explanation.

**Rice around the World
4:15 pm - 5:15 pm
Grades 4 - 7
Program Room 1**

Do you have a taste for adventure? Travel around the world from the comfort of our library as we learn to make an international variety of rice dishes. Passport not required.

**Teen Coloring Fun
4:30 pm - 5:30 pm
Teens
Café**

Don't let a lack of artistic talent keep you from making art! Join us for a fun and relaxing time with intricate coloring pages, markers and colored pencils.

**3D Printing
Demonstration
4:00 - 5:30 pm
Teens & Adults
Lobby**

See the library's 3D printer in action as it creates 3D objects. Instructions on how to create your own 3D design for printing will be provided.

**SATURDAY,
March 23**

**Beach Bottles
11:30 am - 12:30 pm
All ages,
children under 6 with caregiver assistance
Family Computing Area**

Capture the feel of the Jersey Shore in a bottle! Use sand and shells from our very own beaches, upcycled bottles and clear hard drying resin to create a year round bit of summer.

**Magic Lemonade
11:30 am - 12:30 pm
All Ages
Program Room 1**

A color changing lemonade, made with butterfly pea flower tea, magically changes from blue to pink when you add acid (the lemon) to the tea. Make and take your drink to go!

**Mini Maker Day
11:30 am - 1 pm
Children and Families
Meeting Room A/B**

Build and play in our own Mini Makers Day event! Activities will include interactive coding demos, binary bracelets, a multicultural DIY flag craft, and a build-your-own balancing robot kit!

**3D Printing
Demonstration
12:30 pm - 2 pm
Teens & Adults
Lobby**

See the library's 3D printer in action as it creates 3D objects. Instructions on how to create your own 3D design for printing will be provided.

**Post It Note Art Contest
12:30 pm - 2 pm
Teens
Café**

Teams will design a decorative idea with help from the SBPL Teen Maker club and then create it with Post It Notes on our windows. Small prizes will be awarded and the winning teams will have their art displayed throughout the month of April!

**Buttons & Magnets
2:00 pm - 3:30 pm
All ages, children under 10 with caregiver
Program Room 1**

Make a button or magnet for yourself or as a gift! Create your own artwork or bring in photos/pictures. Buttons and magnets can accommodate images that fit in a circle up to 2 inches across.

**SBHS Robotics
2:00 pm - 3:30 pm
Ages 3 and up
Smart Lab**

Robotics teams from SBHS will be demonstrating what a robotics competition is like. An interactive event with our local robotics students and their robots!
